

2011 Thanksgiving Tournament

Coaches and Managers,

The following requirements must be met by each team:

All coaches must check-in at the hospitality room 1 hour prior to game time. The head coach must certify the team roster on the score sheet, sign the score sheet, and ensure that all assistant coaches sign as well. All coaches must annotate their USA Hockey Coaching Certification Number and should be prepared to produce their USA Hockey Coaching Certification card if asked, spot checks will occur.

Tournament programs will be located in the hospitality room for Team Manager to pick-up. Locker rooms will be pre-assigned. If the team prefers to lock the locker room, the keys will be in the hospitality room. Valuables should not be left in the locker rooms and doing so will be at each team's peril. Car keys or drivers license will be exchanged for the locker room key. The locker rooms are the team's responsibility and cleanliness is required. Locker rooms will be checked for cleanliness and damage after each use. Violations of this policy will be charged accordingly. This does include trash left on the floors and the showers left on.

Each team will be responsible for providing score sheet labels for each game.

Off-ice officials (time and score keeper) will be provided for all games. Each team will be responsible for their penalty box.

The hospitality room is for all coaches, managers, referees, and off-ice officials only. This policy will be strictly enforced

Attached is the team schedule. If you have any questions or concerns, please feel free to contact Jennifer Heck 529-1715 or jenski@gci.net.
